

# Durian Flavour

Durian is popular as the king of fruits that has its own distinctive odour and flesh full of creaminess. The bright-yellowish flesh and thorny skin surface make it varied to the other tropical fruits. There are a few favourable durian types such as Musang King, Black Thorn, Black Pearl and Red Prawn.

Durian Flavour has balance sweetness but sometimes bittersweet, creamy depending on its type. Its appealing aroma is last longer beyond the thought might as well fill the room. In most food industries, they may combine with creamy base of cream to naturally magnify the durian flavour just to feel like having a real experience of eating durian flesh.

**CA FLAVOR** has varieties of high quality Durian flavour that give you an exact taste of durian. Not only that, the strong aroma of our flavours help to enhance the original durian profile in your food product as well.
